

# NEO BANKING: A DIGITAL FINANCIAL REVOLUTION

# NEO BANKING 101 - EMBRACING THE FUTURE OF FINANCE

- ▶ A Neo Bank is not your typical bank.
- ▶ It's a modern, digital-first banking approach.
- ▶ Neo Banks are entirely online and have no physical branches.
- ▶ Everything is done through a smartphone app or via an online portal.

# WHAT MAKES NEO BANKING SPECIAL?

- ▶ Accessibility: Banking at your fingertips.
- ▶ Innovation: Embracing cutting-edge technology.
- ▶ Digital-first: Cashless & paperless.

# NEO BANKING - STILL A RARITY

- ▶ While Neo Banking is gaining traction, it's not evenly distributed globally.
- ▶ Neo Banking has limited availability in certain regions, especially in more remote areas.
- ▶ Rapid expansion is underway, but Neo Banks are not yet ubiquitous.
- ▶ Finland, Sweden, Denmark, United Kingdom, Nigeria, and South Korea have all made varying levels of progress in adopting and implementing the concept, depending on their unique social, economic, and political contexts.
